

APPLICATIO Training & Management GmbH

APPLICATIO maintains close relations with various priority countries worldwide. In addition to partner companies in various countries and representatives, APPLICATIO also has permanent representations in Namibia and Mongolia:

Namibia

Jala Ventures Namibia (JVN)

An adventure of APPLICATIO Training & Management GmbH, Hamburg/Germany

JALA Ventures Namibia (JVN) is a young Namibian consulting firm dedicated to solving various problems in Namibia and the entire SADC region. JVN works primarily with emerging companies, government and parastatal agencies. The work focuses on development cooperation, education and training, tourism, media and marketing. JVN is subdivided into different areas:

- Jala Media Namibia (JMN)
- Jala Consulting Namibia (JCN)
- Jala Training Namibia (JTN)
- Jala Support Namibia (JSN)

Mongolia

Government - Trade - Industry Consult

Government-Trade-Industry (GTI) Consult in Ulaanbaatar, Mongolia, is a young and aspiring consulting working on behalf of governmental agencies, trade businesses as well as the industry (especially SME).
